

PERSONNEL POLICY  
Fauquier County, Virginia

Policy Title:	Section No.:	Effective Date:
Fauquier County Hazard	18	12/12/88
Communication Committee		Supersedes Policy:
		12/1/86

I. PURPOSE

— On August 17, 1984 the Virginia safety and Health Codes Board adopted the Federal OSHA "Hazard Communication" Standard, CFVR 1910.1200. The Standard is designed to:

- • Ensure the evaluation of chemicals to determine their hazards.
- • Apprise workers of the hazards with which they work.
- • Pre-empt any existing State laws.

II. GENERAL INFORMATION

— In an effort to comply with the Virginia Occupational Health and Safety Standard, 1910.1200, Hazard Communication, a written Hazard Communication Program has been established for Fauquier County. All Departments whose employees are covered under the Personnel Policies of the Board of Supervisors are included in this program.

III. ROLE OF THE COMMITTEE

- The Hazard Communication Committee will continually evaluate and work to improve the County Hazard Communication Program as it applies to County employees.
- The Hazard Communication Committee shall meet quarterly, or as the need arises, to carry out the provisions of the County Hazard Communication Program.

IV. COMMITTEE COMPOSITION

- The Hazard Communication Committee shall be composed of the following County employees, as appointed by the County Administrator to serve at his pleasure:
- Rufus C. Thompson, Chairman — Emergency Services Coordinator
- Roger L. Boswell — Building Inspections Department
- Warren L. Jenkins — Sheriff Department
- Charles A. Payne — Building and Grounds Department
- Donald G. Schenck — Parks and Recreation Department
- Martha A. Graham — Personnel Department
